

Next-Generation

Ranger Raptor

FORD PERFORMANCE

The Most Powerful Ranger We've Ever Built

Inspired by desert racing, the Next-Gen Ranger Raptor has been developed with Ford Performance DNA for true enthusiasts.

The next-generation Ford Ranger has undergone unrelenting global testing from sub-zero to +50° celsius temperatures to ensure it's robust, rugged and capable. Its high-strength steel frame and steel body ensure the Ranger's Built Ford Tough reputation for quality durability and strength.

Performance Bred Interior

All-new, jet fighter-inspired sports seats in the front and back are more comfortable and supportive during spirited driving.

Get Excited

Blending raw power with mechanical and technical precision, Next-Gen Ranger Raptor delivers pure exhilaration.

3.0L V6 Twin-turbo EcoBoost Engine

Matched to a performance tuned 10-speed automatic transmission with Anti-Lag in Baja Mode. The compacted graphite-iron cylinder block is around 75% stronger and stiffer than a traditional iron block. Produces up to 292kW at 5650rpm and 583Nm of torque at 3500rpm¹.

A reinforced chassis, new shock tower mounts, unique upper and lower control arms and a refined Watts link rear end allows Next-Gen Raptor to handle punishing off-road conditions.

1. 98RON fuel is required to achieve the kW and Nm numbers stated. 2. Mud/Rut, Sand, Baja and Rock Crawl mode intended for off-road use only. 3. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate at certain speeds, or in certain driving, road or weather conditions. See Owner's Manual for details and limitations. 4. ISOFIX fitted to outboard rear seats only. 5. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.co.nz. FordPass requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 6. Wireless Phone Charging not compatible with all phones. 7. BANG & OLUFSEN 2021 and B&O 2022. BANG & OLUFSEN™ and B&O™ are registered trademarks of Bang & Olufsen Group. Licensed by Harman Becker Automotive Systems Manufacturing Kft. All rights reserved. 8. SYNC@4A features may not be compatible with all phones. For compatibility, see ford.co.nz/sync. 9. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford AppLink® is available on selected SYNC® models and is compatible with select smartphone platforms. Warning: Local laws prohibit some phone functions while driving. Check your local road rules before using these functions. 10. Maximum towing capacity-braked using a Genuine Ford tow pack. To comply with these limits, occupants and / or luggage may need to be restricted to not exceed the GCM and GVM limits. For further details regarding passenger and luggage restrictions, please consult your authorised Ford Dealer and / or refer to the Owner's Manual. 11. Drivers will need to create a profile of their trailers in SYNC to support the Trailer Brake Controller and must set the gain on the Brake Controller unit.

Overseas Ranger Raptor model shown.

FOX 2.5" live valve shock absorbers
State-of-the-art internal bypass dampers adjust electronically up to 500 times a second, reacting to the unfolding terrain and your driving style. Get ready for the off-road ride of your life.

Sophisticated Suspension

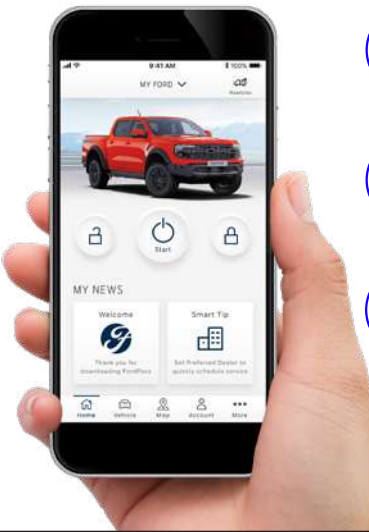

Cutting-edge internal bypass dampers tuned and developed by Ford Performance can react and adjust to the terrain and driving style 500 times a second. Get ready for the ride of your life.

Embossed tailgate

Connect anywhere

Every Ranger Raptor now comes fitted with an embedded modem known as FordPass⁵ Connect. Using the FordPass App on your smartphone you can locate your vehicle, lock and unlock the doors, and even start the engine remotely.

Heat or cool cabin to last known setting.

Receive Health Alerts like battery or oil levels.

Check your fuel levels remotely.

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Peace Of Mind Service Inspection

Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Intelligent Oil Life Monitoring System (IOLM). The way you drive can have a significant impact on how quickly your oil is used. IOLM is a smart system that monitors oil levels and alerts you when the oil needs changing.

1. Warranty conditions and exclusions apply. 5 year/150,000 km Ford Express New Vehicle Warranty applies to demonstrator, dealership and service loaner first registered by the Authorised Ford Dealer from 1 September 2018. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Is available at participating Dealers. See www.ford.co.nz/owners/service/ for full terms and conditions. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Ranger and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
