S = Standard -- = Not Available

1. Fuel consumption & emission WLTP3 ST figures are a conversion value based on NEDC combined test results. WLTP3 figures for Active and ST-Line X are based on WLTP4 combined test results. Fuel consumption and CO2 emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables a comparison between different vehicle types; the specification and options selected may have an effect i.e. on vehicle weight and therefore on the emissions and fuel economy of the vehicle and also may influence the figures that appear in the individual vehicle documentation. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) vehicle configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. 2. Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. 3. ACC has a minimum operating speed of 30km/h. The Stop & Go functionality of this system operates as low as 0km/hr in traffic jam situations. If vehicle is stopped for more than three seconds, driver must intervene and press "RES" button or accelerator pedal to resume system operation. 4. AEB with Pedestrian and Cyclist Detection operates at speeds between 5km/h and 80km/h. 5. Bluetooth[®] is a registered trademark of Bluetooth SIG, Inc. and is under license. Some phones not compatible. 6. Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.co.nz/FordPass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect Modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. 7. Not all SYNC[®]4 features are compatible with all phones. For compatibility, see ford.co.nz/sync. 8. Wireless Charging not compatible with all phones. 9. Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android[™] (as applicable) and active data service. SYNC[®] does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc., registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink[®] is available on selected SYNC[®] models and is compatible with select smartphone platforms.

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Five Year Unlimited Kilometre Warranty

Covers your new Ford Focus vehicle against defects in factory materials or workmanship for the first 60 months¹. For details about this warranty please visit: www.ford.co.nz/owners/warranty

Ford Roadside Assistance²

For the first 36 months (unlimited kms), Ford gives Focus owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

20,000 kms Service Intervals²

Improved oil technology and engineering refinement has enabled Ford to offer normal scheduled service intervals of 20,000 kms or every 12 months, whichever comes first.

Loan Car Programme³

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

1. Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to new, demonstrator, dealership and service loaner vehicles. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstration or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Focus and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
