LOUDER, PROUDER

New Zealand's favourite sportscar never rests on its laurels. The Mustang continues its best-selling combination of sleek design, advanced technology and superb performance, but now includes state-of-the-art connectivity that allows you to locate,¹ lock and even start your Mustang remotely.² It's a combination of raw power and unrivalled sophistication that never grows old.

12-inch Digital Cluster

This is the first all-LCD display ever offered in a Mustang. It's easy to view, fast, responsive, and absolutely beautiful. Set your ideal Electronic Stability Control, throttle, steering, exhaust and gauge appearance preferences with the touch of a button.

LED Headlamps with Automatic Levelling

Bright, white light, always exactly where you need it on the road.

DRIVE THE LEGEND

Nothing else offers the unique combination of classic style and exhilarating performance quite like the Ford Mustang. Whether it's the Fastback or Convertible, 5.0L V8 or High Performance 2.3L, the Mustang has a heritage few other cars can match.

5.0L V8 Engine

Expertly engineered to help maximise power from every compression, the Mustang GT's 5.0L V8 engine utilises a dual-fuel, high-pressure direct injection and low-pressure port injection system. Boasting 339kW³ of power and 556Nm³ of torque, this is the stuff of legends.

Mustang High Performance 2.3L

With an upgraded 236kW³ turbocharged engine, the Mustang High Performance 2.3L features Ford's EcoBoost powertrain, giving you more thrust when you need it.

Pre-Collision Assist with Pedestrian Detection⁴

Autonomous Emergency Braking is designed to help you detect if the car in front has unexpectedly stopped or a pedestrian steps out onto the road and can automatically apply the brakes if you don't.

WELCOME TO THE WORLD OF FORD CONNECTIVITY

Every 2023 Mustang comes fitted with an embedded modem known as FordPassConnect. Using the FordPass App on your smartphone,⁵ you can locate your vehicle, lock and unlock the doors, and even start the engine remotely to heat or cool the cabin to the last known setting.^{1,2}

FordPass App appearance as at January 2022 with minimum iOS 12.0 software or later and compatible device.

Colour Range

Notes

Mustang High Performance 2.3L

Mustang High Performance 2.3L comes with a unique grille, 19" machined alloy wheels, accented bonnet stripes, side mirror caps and rear spoiler. Unique fender and rear badges complements the package.

Apple CarPlay & Android Auto⁶

Apple CarPlay and Android Auto help you control some apps from your smartphone using the touchscreen, steering wheel controls, and voice assistant. Get turn-by-turn directions, traffic conditions, and estimated travel times from Apple Maps, Google Maps and even Waze.

LED Lighting

The Mustang now features all-LED lighting including signature tri-bar DTRLS, low and high beams, indicators, fog and tail lamps. There's even a 30 percent reduction in power consumption over the HDs from the prior model year.

Active Valve Exhaust

Delivering an audible experience like never before, the Active Valve Exhaust system lets you choose exactly when you want to make your presence known. Four modes are available: Normal, Quiet, Track and Sport, tailoring the exhaust note for every occasion.

RECARO® Sport Seats

Trust RECARO® to provide the perfect balance of support and comfort in this optional sport seat.

Pony Puddle Lamps

A delightful surprise for anyone's first Mustang experience: the famous Mustang Pony emblem, projected at your feet by the side mirrors.

Sports Transmission

Mustang drivers can unleash performance two ways: either the responsive ease of the advanced 10-speed automatic with Launch Control or, for drivers who demand maximum involvement, the short shifting 6-speed manual gearbox.

1. Vehicle Locator only available when Vehicle Location setting is on. **2.** Use Remote Vehicle Start and Stop responsibly and only in well ventilated areas where you are aware of your vehicle's surroundings. **3.** Performance Data measured using 98 RON fuel for GT, 95 RON fuel for 2.3L High Performance. **4.** Driver-assist features are supplemental and do not replace the driver's attention, judgment and need to control the vehicle. May not operate in some driving and road conditions (including at certain speeds) or adverse weather. **5.** Use of FordPass is subject to the FordPass Terms and Privacy Policy and the Connected Vehicle Terms and Privacy Policy available on ford.co.nz/fordpass and requires a compatible mobile device, internet access and software (including software updates from time to time). You are responsible for internet access, mobile network data and voice call services required for your use of the FordPass App on your mobile device, including associated fees. The FordPass Connect embedded modem and FordPass App can only work when connected to the telecommunications network. Ford cannot guarantee that FordPass will be in fully operating condition at all times and the FordPass App may be unavailable or particular FordPass services interrupted. Ford is not responsible for any limitations or restrictions of the telecommunications network or of your mobile device. FordPass App Appearance as at January 2022 on compatible iOS device. **6.** Apple CarPlay / Android Auto requires phone with compatible version of Apple iOS / Android™ (as applicable), active data service, and connection cable (sold separately). SYNC® does not control Apple CarPlay / Android Auto while in use. Apple / Google and other third parties are responsible for their respective functionality. Message and data rates may apply. Apple CarPlay, Siri Eyes Free, iPod and iPhone are trademarks of Apple Inc. registered in the US and other countries. Android Auto and Google Maps are trademarks of Google Inc. Ford Applink® is available on selected SYNC® models and is compatible with select smartphone platforms. **7.** Fuel consumption & emission WLTP3 figures are a conversion value based on NEDC combined test results. Fuel consumption and CO2 emissions are specified for a vehicle type and not for a single vehicle. The applied standard test procedure enables a comparison between different vehicle types; the specification and options selected may have an effect i.e. on vehicle weight and therefore on the emissions and fuel economy of the vehicle and also may influence the figures that appear in the individual vehicle documentation. This information is not part of any product offer made. Real world fuel consumption can vary as the fuel efficiency of a vehicle is influenced by (individual) vehicle configurations, driving behaviour, use of technical equipment such as air conditioning, as well as other non-technical factors. **8.** Rear outboard seats only. **9.** When in use do not exceed 80km/h and ensure that a new wheel and tyre are fitted as soon as possible. **10.** When High Performance 2.3L is ordered in Magnetic body colour, Bonnet Accent Stripes will be Silver. **11.** Heated and Cooled seats are not available with Recaro Seats. **12.** All optional content is available at additional cost. **13.** Not available with Shadow Black exterior colour. **14.** Not available with Oxford White exterior colour. **15.** Bluetooth® is a registered trademark of Bluetooth SIG Inc. and is used under licence. Please refer to ford.co.nz for mobile phone compatibility. **16.** Not all SYNC® 3 features are compatible with all phones.

FORD SERVICE

Our Commitment to You

Convenience. Reliability. And no nasty surprises. That's what service should be. And that's exactly what Ford promises when you have your car serviced. Feel at ease knowing that your car is being serviced by factory trained technicians using specialised diagnostic equipment. After all, nobody knows your Ford better than we do.

Five Year Unlimited Kilometre Warranty

Covers your new Ford Mustang vehicle against defects in factory materials or workmanship for the first 60 months¹. For details about this warranty please visit: www.ford.co.nz/owners/warranty

Ford Roadside Assistance²

For the first 36 months (unlimited kms), Ford gives Mustang owners complete peace of mind motoring with New Zealand's most reassuring roadside emergency service. Free accommodation or a free rental car are just some of the outstanding features of this unique service.

Service Experience

Speak to your participating Ford Dealer today about how we can help you make the most out of your vehicle experience.

Service Intervals²

The scheduled service interval is not due until an Intelligent Oil-Life Monitor notification 'OIL CHANGE REQUIRED', 15,000 km or 12 months in service, whichever occurs first.

Sat Nav Map Updates³

Never lose your way again with the latest map data for your Satellite Navigation system. If your vehicle has SYNC® 2 or SYNC® 3 with Satellite Navigation, you'll receive yearly map updates until September 2024 with your scheduled servicing.

Loan Car Programme⁴

So we can keep you on the road when you're getting a scheduled service you can take advantage of our Loan Car Programme.

Ford Customer Assistance Centre

You'll always find us responsive to your needs. Telephone 0800 FORD NZ (0800 367 369).

Finance and Lease Options

Choosing how to finance your vehicle is a major decision. My Ford Finance can get you the Ford you want, when you want it. Fully maintained or non-maintained operating leases remove the worry of depreciation, inflation and, more importantly, do not tie up your capital in an asset. Other forms of financing are also available. Flexible deposits and repayment terms mean that a plan can be structured for your specific needs. See your Ford Dealer to discuss your financing or leasing requirements.

Service Made Easy

When you service at Ford with our factory trained technicians, your peace of mind is our top priority. We use only Genuine Ford Parts and provide you with a vehicle health report, so you know your vehicle is being maintained the way it should. Take advantage of all the Ford Service Benefits on offer.

Intelligent Oil Life Monitoring System (IOLM). The way you drive can have a significant impact on how quickly your oil is used. IOLM is a smart system that monitors oil levels and alerts you when the oil needs changing. Discover the full range of Ford Service Benefits by visiting ford.co.nz/owners/service.

1. Warranty conditions and exclusions apply. 5 year/Unlimited km Ford Express New Vehicle Warranty applies to new, demonstrator, dealership and service loaner vehicles. Warranty period commences on the date of delivery except where the vehicle is a dealership, demonstrator or service loaner vehicle, in which case it commences on the date on which it was first registered by an Authorised Ford Dealer. Tyres and tyre tubes are excluded. Shock absorbers and batteries are subject to shorter warranty periods. www.ford.co.nz/owners/warranty for further information.
2. Conditions apply. Further information on these warranties and services may be obtained from your Authorised Ford Dealer.
3. Available annually at participating dealers with scheduled logbook services for up to 7 years (but no later than 30 September 2024). For private, business and fleet customers. For vehicles fitted with SYNC@2 or SYNC@3 satellite navigation.
4. Vehicle model availability may vary. Available at participating dealers on scheduled logbook services or overnight warranty repairs. For private, business and fleet customers. Booking required. Participating Dealers may require customers to comply with general usage conditions.

This brochure was designed to provide you with a general introduction to your Mustang and was correct at time of going to print. However, Ford's policy is one of continuous product development. The right is reserved to change specifications, colours and prices of the models and items illustrated and described in this publication at any time. For the latest details always consult your Ford Dealer.
